THREE DIE ON THE WAY

The battle that broke out just after when hundreds of armed men started into "Little Africa" has resulted in scores of casualties among the whites in addition to probably scores killed ports from hospitals.

A report from the Tuisa hospital at 7:15 said that within the last 20 to 25 minutes badly wounded white men had been brought in by mabulances an dthat more into "Little Africa" could be heard on all sides. were arriving. One of the wounded men died on the names of wounded.

At the Oklahoma hospital about eight or ten new victimes had been received since the morning battle opened one of the wounded dieing in an ambulance just before reaching the hospital.

These men were all believed to have been shot by snipers firing from houses in the "black belt" during the invasion of the negro district.

The first American of CHARGE OF JOYCE Of Dead Mounts

With hundreds of armed white men purhing into the "black belt," setting fire to scores of houses and shooting the with several negroes perched on housetops. However, the down negro after negro in houses where snipers are observed, aim of the blacks was bad and no whites were injured, but reports reaching police headquarters at 6:45 indicate that three negroes were killed within a short space of time. the negro death list will mount far higher than any estimates.

Every negro seen on the treets this morning was promptly and were dropped by the white sharpshooters. put under guard. The city jail was quickly filled and the police then began taking them to Convention hall, where more light this morning. Two bodies had been removed. than three hundred are now confined. Blacks picked up in them seemed glad to get the protection of the law.

With the coming of dawn this morning, following a night of race rioting and death, hundreds of armed white men in motor cars formed a circle of steel about volver fire could be heard.

Sixty or seventy automobiles filled with armed men were many reports to the effect that they planned to the ground. range through the negro settlement and "clean it out."

teen. Though no whites were known to be killed save general. two unidentified men listed in The World, reports to who had been at "the front" between the line of armed whits and "Little Africa" said they had counted the

While the bands of armed white men in motor cars were surrounding the negro district six airplanes were circling over the section. Scattered along the Frisco tracks and in streets immediately south were between 500 and 1,000 more armed white men. Talk of driving

At 5:45 the white forces were pushing into "Little way to the hospital attendants said. He was not identi- Africa" from the south, bands of white riflemen being fied at that time, and attendants had no time to get reported at Elgin and Archer. They were reported to be shooting into houses and at all negroes in sight. There was no report of the extent of casuaities. The housetops and windows.

various parts of the city offered no opposition, but most of her of white men on guard duty along North Main street all for half a entrance night, said he counted the bodies of five negroes.

BULLETIN:

At 9:45 armed citizens and one guard corporal marched the prisoners which had been held in Convention hall south through town. It was reported the negroes were to be corralled at the Western league park.

A detachment of state troops from Oklahoma City arrived here at 9:30 this morning, two companies of infantry and one machine gun company.

More troops are on the way and officials "Little Africa," and a continuous rattlle of rifle and re- believe that by noon the situation will be completely in hand.

Adjutant General Charles F. Barrett of were in the line drawn about the black belt and there! Oklahoma is in direct charge of all troops on

Martial law will not be declared unless ab-At 5:30 the death list was estimated as high as fif-solutely necessary, according to the adjutant

The adjutant general, the troops from Oklapolice headquarters from members of the white bands homa City and local guard units placed on duty early this morning are working hand in hand.

The first move by the troops, according to bodies of more than a dozen negroes stretched in the General Barrett, will be to disarm most of the disorganized bands of whites who are riding about the city armed to the teeth.

With the appearance of the machine gun company, with guns mounted and bandoliers in position to begin firing on an instant's notice, the tenor of mob violence which has prevailed for the past 12 hours took on a decided note of calm and armed bodies of volunteers and expectant citizens quickly gave way to the command of the troops.

At the time the troops arrived it was renegroes were not returning the fire very spiritedly, if ported that the "black belt" was beyond the was reported, but negro snipers were shooting from power of all human agency to save from flames which bid fair to raze the entire section.

At the same time the negro section was re-Frisco tracks was fired, but because there was no wind, the ported destitute of an inhabitant other than a flames burned themselves out and did not spread to the Cin-scattered few in hiding which were being routed out in a house-to-house drive by armed

Convention hall, converted into a prison, is jammed with hundreds of negroes taken driven from cover and five of the six who ran from the house captive by volunteer whites. Both city and
